~ Like I'd be a bride! ~

らぶ☆ぷり

お嫁になんて行かないもん

著 8 土崎多結 | By Shisaki Tayu

Did you
find the
princess?

There was a
princess of
marriageable age,
and her protector,
the Captain of the
Knights.

Once upon
a time
in the
Kingdom
of Streya.

Yet she
keeps
running
off to
God-
knows-
where.

It's
imperative
that we have
her meet
her to-be
husband and
king.

As
first-born
she must
continue the
bloodline.

The Princess
has been
nothing but
trouble.

Indeed...

Where
could she
be?

Captain
of the
knights!!
Where
are you,
Captain
Launa?

Launa!!

Launa?

The King
was looking
for you.

I'm glad
I found
you...

It seems you
ran off from
the marriage
meeting...

I was
looking
for you
too,
Launa.

**I DETEST
THAT BORE-
SOME MAN!**

Princess...

I... I've always
loved you, being
by my side and
protecting me.

.....

I want to
be like this
with Launa,
forever and
ever.

I...
I'd never
want to
marry a
man!
